CONSTRUCTION UPDATE

The California Department of Transportation (Caltrans) announces the following construction updates as part of construction of the new Hollywood Way on-ramp to westbound Ventura Freeway (SR-134):

- Temporary closure of northbound Hollywood Way between Riverside Drive and Alameda Avenue beginning approximately March 24 -- through October, 2008. Suggested Detour: West on Riverside Drive, north on Pass Avenue, east on Verdugo Road, to Hollywood Way. This closure is necessary in order to lengthen the bridge to accommodate the new on-ramp. Signs and detours will be posted to assist motorists.
- Westbound Alameda Avenue at Hollywood Way will be re-opened approximately March 25.
- On March 24 and 25 from 8 a.m. to 5 p.m. at Hollywood Way and Alameda Avenue; and Alameda Avenue at Cordova Street, a pavement striping operation may cause intermittent noise.
- In addition, during the month of April, 2008, bridge work may also cause intermittent construction noise at the corner of Hollywood Way and Alameda Avenue. Caltrans will do everything possible to keep construction noise to a minimum.
